

Candidates will be able to prefer associate and undergraduate programmes if they complete their applications between August 21 and September 7,2020.

Candidates will **log into** the system by using **username and password** and prefer the diploma programmes.

- ❖ After the placement process has been completed in accordance with the high school diploma degree, second and third placement procedures for the remaining places in the quotas will be carried out for candidates who have not already been placed on any diploma programme.
- ❖ If the candidate is placed into any of a diploma programme and is enrolled to that programme in the first registration period cannot participate in the Additional Placement Processes.
- ❖ If the candidate is placed into any of a diploma programme in the second placement process and is enrolled to that programme in the second registration period cannot participate in the third Placement Processes.

Candidates will be able to display the results by logging into the system with username and password in accordance with the calendar.

Applicants who did not complete their applications between August 21 and September 7, 2020 will not be allowed to prefer diploma programmes during 1. 2. And 3. preference process.
